Care & Maintenance

Upholstery:
Vacuum regularly using a soft brush attachment. Spot-clean with mild detergent and lukewarm water. Blot spills immediately with a clean, dry cloth – do not rub. Do not bleach, machine-wash, tumble-dry or iron. Professional upholstery cleaning only. Keep away from direct sunlight and heat sources.

Sofa Bed Mechanism:
Keep the folding mechanism free from loose objects and debris. Open and close the sofa bed using the intended operating points and avoid applying excessive force to the mechanism. Ensure the mechanism is fully opened and correctly positioned before use.

Safety:
Keep hands, fingers and children clear of the mechanism while opening or closing the sofa bed.
Ensure the mechanism is fully extended and securely positioned before use. Do not sit, stand or place weight on the sofa bed while it is partially opened or closed.

Warranty

Warranty period is 24 months from date of purchase.
Warranty may be voided if improper use, cleaning or maintenance causes damage. Natural materials such as timber and feather/down filling may contain inherent variations in colour, grain, texture and appearance. These are natural characteristics and are not considered defects.
The EASE Sofa Bed is not suitable for outdoor use. General everyday wear & tear is not considered a defect and therefore will not be covered by Manufacturing Warranty.
Products specified for commercial or high-traffic environments are assessed on a project basis. Due to the varied nature of commercial use, standard residential warranty terms do not apply.
