Care & Maintenance

Stainless Steel:

Dust regularly with a soft cloth. Clean with a damp cloth and mild detergent, wiping in the direction of the grain. Avoid excessive moisture and harsh chemicals. Do not use abrasive cleaners or scouring pads.

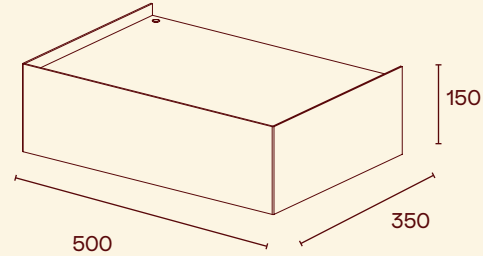

Warranty

Warranty period is 24 months from date of purchase.

Warranty may be voided if improper cleaning or maintenance causes damage. Stainless steel can tea stain and rust if not cleaned and cared for accordingly. Stainless steel in brushed satin finish, may have variations in colour, grain and texture these are natural characteristics and not considered defects. Eira shelves are not suitable for outdoor use. General everyday wear & tear is not considered a defect and therefore will not be covered by Manufacturing Warranty. Products specified for commercial or high-traffic environments are assessed on a project basis. Due to the varied nature of commercial use, standard residential warranty terms do not apply.
