*Specification Sheet***EIRA OCCASIONAL TABLE**

Modular system comprising interchangeable top and side components, allowing multiple configurations including side tables, stools and coffee tables.

Dimensions

Open side module: 400W x 200D x 350Hmm
Weight: 8.5kg

U shape module: 400W x 200D x 350Hmm
Weight: 9kg

Coffee table – small module:
800W x 400D x 150Hmm
Weight: 14kg

Coffee table – large module:
800W x 800D x 150Hmm
Weight: 33kg

Designer

CJH x Trovato

Material composition

4mm thick Grade 304 stainless steel

Construction

Formed stainless steel construction with precision bending and welded joints (where applicable), finished for a clean, continuous appearance.

Detailing

Folded edges and tight radius corners provide structural rigidity and a refined profile.

Available finishes

Brushed Satin

Darkened Satin
(PVD)

Additional information:

Supplied with stainless steel connection hardware to enable secure assembly of various configurations.
Clear PVC feet included for floor protection.

*Specification Sheet***EIRA OCCASIONAL TABLE***Care & Maintenance*

Stainless Steel & PVD Finishes:

Dust regularly with a soft cloth. Clean with a damp cloth and mild detergent, wiping in the direction of the grain. Avoid excessive moisture and harsh chemicals. Do not use abrasive cleaners or scouring pads, as these may damage the surface finish.

Warranty

Warranty period is 24 months from date of purchase. Warranty may be voided if improper cleaning or maintenance causes damage.

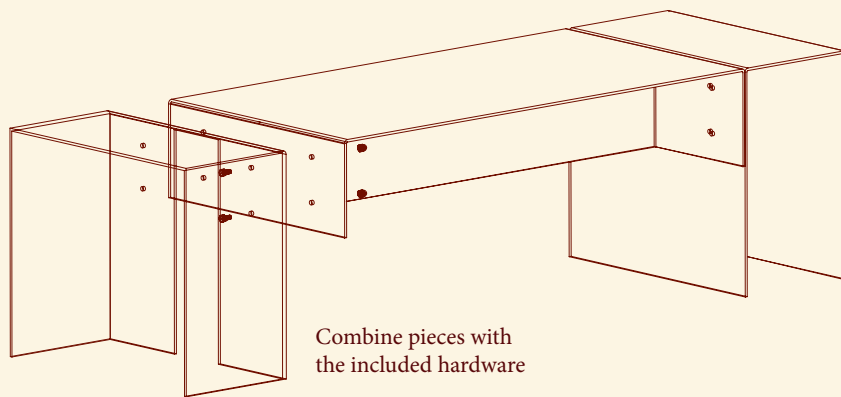

Stainless steel may develop tea staining or surface corrosion if not properly maintained, particularly in humid or coastal environments. Regular cleaning is recommended to preserve the finish.

Variations in colour, grain and tone in brushed or PVD finishes are inherent characteristics and are not considered defects.

Eira modular system is not suitable for outdoor use. General everyday wear and tear is not considered a defect and is not covered under warranty.

Country of Origin

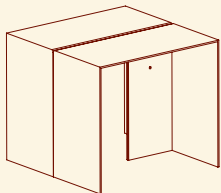

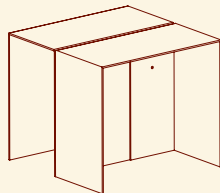

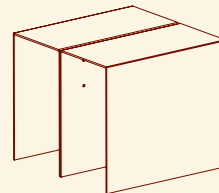

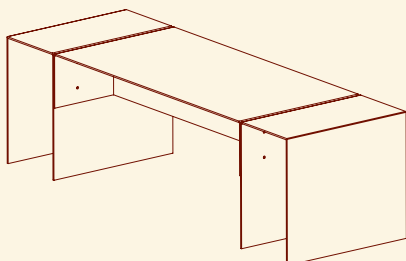

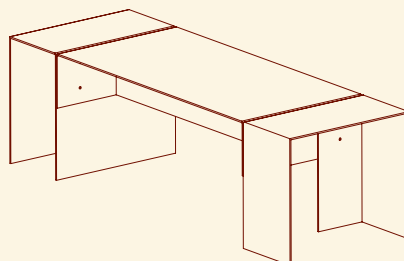

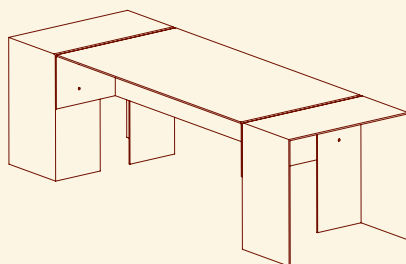

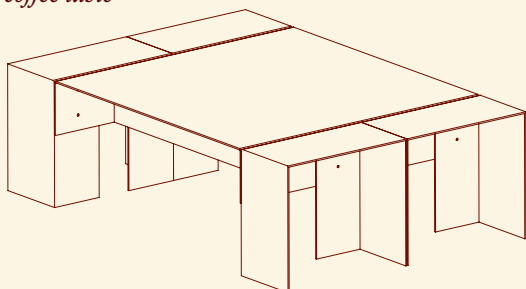

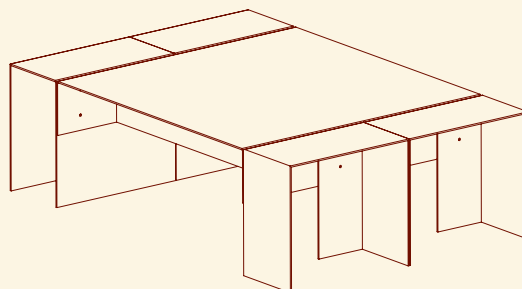

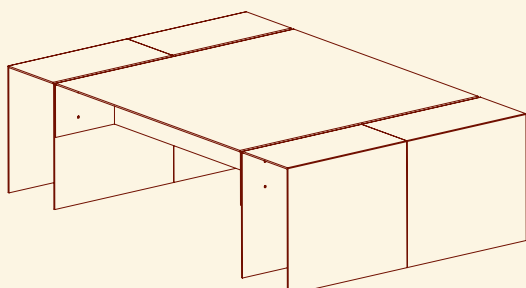

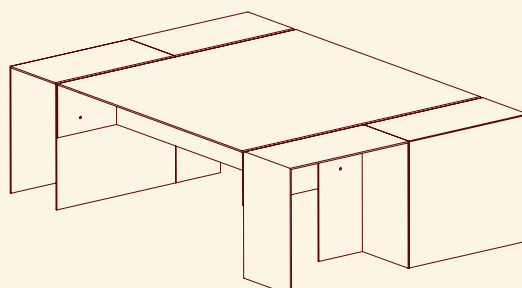

Made in PRC
