Fabric technical information & composition

Natural Mongolian fur in warm brown tones with lighter tipped fibres. Variations in colour, curl, texture and fibre length are inherent characteristics of this natural material and contribute to the individuality of each piece. As a natural sheep fur, some shedding of fibres may occur, particularly with initial use.

Sand:

46% Polyester · 29% Acrylic · 25% Wool

Weight: 520 g/m²

Abrasion (Martindale) 60000 cycles

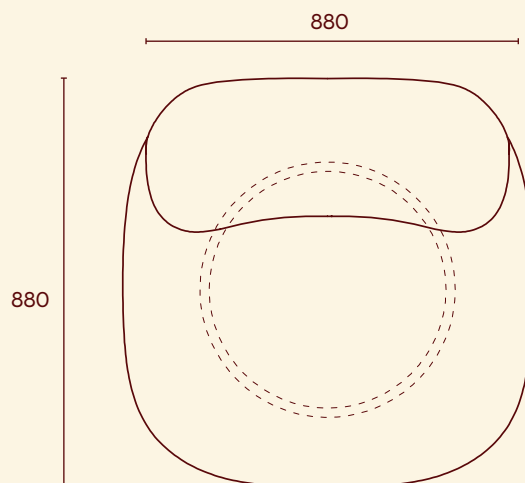

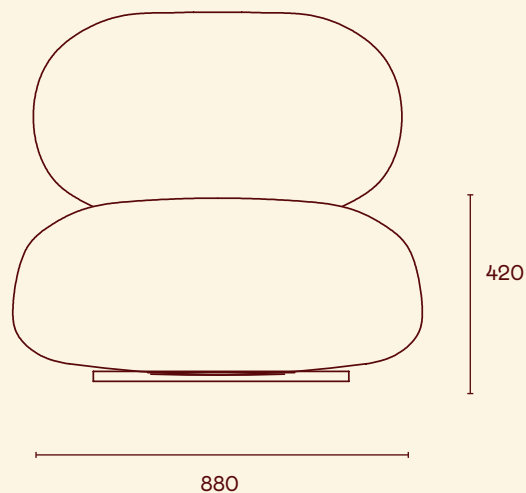

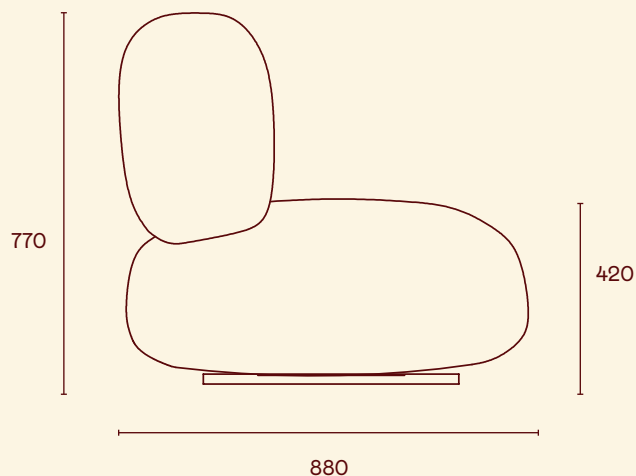

Pilling: 3

*Specification Sheet***ERIS ARMCHAIR***Care & Maintenance***Fabric Upholstery**

Vacuum regularly using a soft brush attachment. Blot spills immediately using a clean absorbent cloth. Avoid harsh chemicals and prolonged direct sunlight.

Natural Mongolian Fur

Gently shake or lightly brush fibres to maintain appearance. Avoid excessive moisture and direct heat sources. Natural fibre movement, variation and matting over time are characteristics of genuine fur products.

Warranty

Warranty period is 24 months from date of purchase.

Natural materials such as timber, fabric and fur contain inherent variations in colour, texture and appearance. These are natural characteristics and are not considered defects. Eris armchair is suitable for indoor use only. General everyday wear and tear is not considered a defect and is not covered under warranty.

Products specified for commercial or high-traffic environments are assessed on a project basis. Due to the varied nature of commercial use, standard residential warranty terms do not apply.
