*Specification Sheet***ORLO ARMCHAIR***Care & Maintenance*

Upholstery:

Vacuum regularly using a soft brush attachment. Attend to spills immediately by blotting with a clean, absorbent cloth – do not rub. Spot clean with a mild detergent and lukewarm water where necessary. Professional upholstery cleaning recommended. Avoid direct sunlight and heat sources.

Timber:

Dust regularly with a soft, dry cloth. Clean with a damp cloth and mild soap solution, wiping along the grain. Avoid excessive moisture. Position away from direct sunlight or use window coverings to reduce fading and movement. Maintain a stable environment to minimise warping or cracking. Blot spills immediately. Do not use abrasive cleaners or harsh chemicals.

Warranty

Warranty period is 24 months from date of purchase.

Warranty may be voided if improper cleaning or maintenance causes damage. Natural materials such as timber and wool contain inherent variations in colour, grain, texture and tone, these are natural characteristics and not considered defects. Orlo armchair is not suitable for outdoor use. General everyday wear & tear is not considered a defect and therefore will not be covered by Manufacturing Warranty.

Products specified for commercial or high-traffic environments are assessed on a project basis. Due to the varied nature of commercial use, standard residential warranty terms do not apply.
