*Specification Sheet***PILA CHAIR***Care & Maintenance*

Timber:

Dust regularly with a soft, dry cloth. Clean with a damp cloth and mild soap solution, wiping along the grain. Avoid excessive moisture. Position away from direct sunlight or use window coverings to reduce fading and movement.

Maintain a stable environment to minimise warping or cracking. Blot spills immediately. Use felt pads to prevent abrasion damage. Do not use abrasive cleaners or harsh chemicals.

Warranty

Warranty period is 24 months from date of purchase.

Warranty may be voided if improper cleaning or maintenance causes damage. Timber is a natural material and may contain inherent variations in colour, grain, texture and tone, these are natural characteristics and not considered defects. Pila chair is not suitable for outdoor use. General everyday wear & tear is not considered a defect and therefore will not be covered by Manufacturing Warranty. Do not stand or use as a step ladder.

Products specified for commercial or high-traffic environments are assessed on a project basis. Due to the varied nature of commercial use, standard residential warranty terms do not apply.

*Specification Sheet***PILA CHAIR WITH PAPER CORD***PILA-CHAIR-CORD*

The Pila Chair with Cord combines the clean architectural form of the Pila collection with the warmth and texture of a handwoven paper cord seat. Crafted from solid Ash with a soft whitewashed finish, the design balances material simplicity, comfort and craftsmanship while retaining the stackable versatility of the original chair.

Dimensions

400W x 380D x 530Hmm – Seat height: 450mm

Weight: 4.3kg

Maximum recommended user weight 110kg

Designer

CJH x Trovato

Material composition & construction

Structure: Solid Ash timber construction

Seat: Handwoven paper cord seat manufactured from processed paper fibre

Backrest: Solid Ash timber

Finish: Whitewashed matte polyurethane lacquer with 2H scratch-resistant treatment

Glides: Protective floor glides factory fitted

Stackability: Designed for vertical stacking to facilitate storage and commercial applications

Papercord Seat: The woven seat is manufactured from durable processed paper fibre cord, providing a comfortable seating surface with a natural handcrafted appearance. Variations in weave pattern and texture are inherent characteristics of the material and contribute to the individuality of each piece.
