*Specification Sheet***PIUMA DINING CHAIR**

Originally designed in the early 1950s by Umberto Bertoni, the Piuma chair reflects the lightness of mid-century Italian design. A slender ash timber frame is paired with a woven papercord seat, creating a balance of structure and flexibility.

*Specification Sheet***PIUMA DINING CHAIR***Care & Maintenance***Timber:**

Dust regularly with a soft, dry cloth. Clean with a damp cloth and mild soap solution, wiping along the grain. Avoid excessive moisture. Position away from direct sunlight or use window coverings to reduce fading and movement. Maintain a stable environment to minimise warping or cracking. Blot spills immediately. Do not use abrasive cleaners or harsh chemicals.

Papercord:

Dust regularly with a soft, dry cloth. Avoid water, detergents and harsh cleaners. Blot spills immediately with a clean, dry cloth. Do not use abrasive cleaners or chemicals. Protect from direct sunlight or strong artificial light to minimise fading or discolouration. Papercord is a natural material that will soften and develop character over time. Minor variations and wear are part of its natural ageing. General everyday wear & tear is not considered a defect and therefore will not be covered by Manufacturing Warranty.

Warranty

Warranty period is 24 months from date of purchase.

Warranty may be voided if improper cleaning or maintenance causes damage. Natural materials such as timber and papercord contain inherent variations in colour, grain, texture and tone, these are natural characteristics and not considered defects. Piuma chair is not suitable for outdoor use. General everyday wear & tear is not considered a defect and therefore will not be covered by Manufacturing Warranty. Do not stand on the chair or use as a step ladder.

Products specified for commercial or high-traffic environments are assessed on a project basis. Due to the varied nature of commercial use, standard residential warranty terms do not apply.
