Boxed Dimensions (2 Chairs per carton)

Carton: 705W x 590D x 990Hmm | 17.3 kg

No assembly required

*Specification Sheet***QU.BE DINING CHAIR***Care & Maintenance***Timber:**

Dust regularly with a soft, dry cloth. Clean with a damp cloth and mild soap solution, wiping along the grain. Avoid excessive moisture. Position away from direct sunlight or use window coverings to reduce fading and movement.

Maintain a stable environment to minimise warping or cracking. Blot spills immediately. Use coasters, placemats and felt pads to prevent heat, spill and abrasion damage. Do not use abrasive cleaners or harsh chemicals.

Leather:

Dust regularly with a soft, dry cloth. Avoid water, detergents and harsh cleaners. Blot spills immediately with a clean, dry cloth. Do not use abrasive cleaners or chemicals. Apply a leather conditioner suitable for aniline leathers sparingly and only when needed. Protect from direct sunlight or strong artificial light to minimise fading or discolouration. Natural variations, minor scratches and patina development are characteristics of genuine leather and part of its natural ageing.

Warranty

Warranty period is 24 months from date of purchase.

Natural materials such as timber and leather contain inherent variations in colour, grain and texture. These are natural characteristics and not considered defects.

The chair is designed for seating purposes only and should not be used as a step or ladder. QU.Be chair is not suitable for outdoor use. General everyday wear and tear is not considered a defect and is not covered under warranty. Do not stand on the chair or use as a step ladder.

Products specified for commercial or high-traffic environments are assessed on a project basis. Due to the varied nature of commercial use, standard residential warranty terms do not apply.
