Care & Maintenance

Lambswool:

Gently shake or lightly brush using a soft-bristle brush to maintain the natural pile. Air occasionally in a shaded, ventilated area. For deeper cleaning, use a specialist experienced in natural fibre upholstery. Blot spills immediately with a clean, dry cloth. Do not bleach, wash, tumble dry or iron. Avoid direct sunlight and heat sources.

Lacquered Surfaces:

Dust regularly with a soft cloth. Clean with a damp cloth and mild detergent. Avoid excessive moisture and harsh chemicals. Protect from impact and scratching.

Warranty

Warranty period is 24 months from date of purchase.

Warranty may be voided if improper cleaning or maintenance causes damage. Natural materials contain inherent variations in colour, grain, texture and tone, these are natural characteristics and not considered defects. Sela stool is not suitable for outdoor use. General everyday wear & tear is not considered a defect and therefore will not be covered by Manufacturing Warranty. Do not stand or use as a step ladder.

Products specified for commercial or high-traffic environments are assessed on a project basis. Due to the varied nature of commercial use, standard residential warranty terms do not apply.
