SOLA BEDSIDE

The Sola bedside table combines precision-formed stainless steel with solid Douglas Fir timber to create a refined architectural storage piece. Defined by clean geometry, premium hardware and contrasting materiality, the design balances durability, warmth and functionality within contemporary bedroom interiors.

Dimensions

450L x 400W x 500Hmm

Weight: 37kg

Drawer depth 364mm

Designer

CJH x Trovato

Material composition & construction

Body: 5mm thick SS304 stainless steel construction

Timber Components: North American solid Douglas Fir timber with whitewashed finish

Drawer System: Premium Blum concealed full-extension drawer runners

Soft-Close Mechanism: Integrated Blum soft-close technology

Finish (Stainless Steel): Brushed stainless steel or PVD gunmetal finish depending on model

Finish (Timber): Solid whitewashed matte polyurethane lacquer with 2H scratch-resistant treatment

Drawer:

One soft-close drawer

Full-extension concealed runner system

Internal storage compartment

Available finishes

Brushed Satin

*Specification Sheet***SOLA BEDSIDE***Care & Maintenance*

Stainless Steel & PVD Finishes:

Dust regularly with a soft cloth. Clean with a damp cloth and mild detergent, wiping in the direction of the grain. Avoid excessive moisture and harsh chemicals. Do not use abrasive cleaners or scouring pads, as these may damage the surface finish.

Timber:

Dust regularly with a soft, dry cloth. Clean with a damp cloth and mild soap solution, wiping along the grain. Avoid excessive moisture. Position away from direct sunlight or use window coverings to reduce fading and movement. Maintain a stable environment to minimise warping or cracking. Blot spills immediately. Use coasters, placemats and felt pads to prevent heat, spill and abrasion damage. Do not use abrasive cleaners or harsh chemicals.

Warranty

Warranty period is 24 months from date of purchase. Warranty may be voided if improper cleaning or maintenance causes damage.

Stainless steel may develop tea staining or surface corrosion if not properly maintained, particularly in humid or coastal environments. Regular cleaning is recommended to preserve the finish.

Variations in colour, grain and tone in brushed or PVD finishes are inherent characteristics and are not considered defects.

Sola Bedside is not suitable for outdoor use. General everyday wear and tear is not considered a defect and is not covered under warranty.
