*Specification Sheet***TIRA CHAIR***Care & Maintenance***Papercord:**

Dust regularly with a soft, dry cloth. Avoid water, detergents and harsh cleaners. Blot spills immediately with a clean, dry cloth. Do not use abrasive cleaners or chemicals. Protect from direct sunlight or strong artificial light to minimise fading or discolouration. Papercord is a natural material and may wear & tear overtime. Natural variations are characteristics of papercord and part of its natural ageing.

Stainless Steel:

Dust regularly with a soft, dry cloth. Clean with a damp cloth and mild soap solution, wiping in the direction of the grain. Avoid excessive moisture. Blot spills immediately. Use felt pads to protect surfaces. Do not use abrasive cleaners or harsh chemicals.

Warranty

Warranty period is 24 months from date of purchase.

Warranty may be voided if improper cleaning or maintenance causes damage. Timber is a natural material and may contain inherent variations in colour, grain, texture and tone, these are natural characteristics and not considered defects. Tira chair is not suitable for outdoor use. General everyday wear & tear is not considered a defect and therefore will not be covered by Manufacturing Warranty. Do not stand or use as a step ladder.

Products specified for commercial or high-traffic environments are assessed on a project basis. Due to the varied nature of commercial use, standard residential warranty terms do not apply.
