Care & Maintenance

Lacquer:

Clean using a soft damp cloth followed by a dry cloth.

Avoid abrasive cleaners, solvents and acidic products.

Use coasters and protective pads where possible to minimise scratching or marking. Although the top surface incorporates a 2H scratch-resistant lacquer treatment, care should still be taken to avoid sharp or abrasive objects.

Warranty

Warranty period is 24 months from date of purchase.

Minor variations in colour, gloss level and finish texture are natural characteristics of lacquered furniture and are not considered defects. TONDO bedside table is not suitable for outdoor use. General everyday wear and tear is not considered a defect and is not covered under warranty.
